Eligibility

East Doc Platform 2027

In order to be eligible, the participants must:

- be legal entities or self-employed persons with a company ID
- be established in one of the eligible countries (Creative Europe Participating Countries), i.e. EU Member States. The eligible country is determined by the seat of the production company or of a co-producing company of the project.

Non-EU countries (listed EEA countries and countries associated to the Creative Europe Programme for the MEDIA strand or countries which are in ongoing negotiations for an association agreement and where the agreement enters into force before grant signature): **Iceland, Liechtenstein, Norway, Albania, Bosnia and Herzegovina, Montenegro, North Macedonia, Serbia, Ukraine** (see the List of non-EU Participating Countries in the Creative Europe Programme).
